Font Design Self Evaluation

Name:

1) What are some defining graphic features that would single your font out from others, and how does this make your design special?

2) If you had to choose one, what type of line is most prevalent in your design?

3) What is your favorite letter in your font design, and WHY? (Be specific)

4) What is your least favorite letter in your font design, and WHY? (Be specific)

5) Having done this project, what would you change if you were to start your design again? WHY?

6) If you had to give yourself a grade, what would it be and WHY?
