

P h o t o g r a p h y

Mr. Weisbrod

Making the Ordinary into the Extraordinary

E v a l u a t i o n

Name:

Period:

- To submit the assignment, you must put the following items in the correct places:

◇ Final image copied to “Project Hand-In” folder ◇ This evaluation sheet in the hand-in box

- 1) While shooting this assignment, what techniques did you try in order to make your ordinary objects look like something extraordinary?

- 2) Of those techniques, what ones did not work the way you planned, and why do you think they didn't work?

- 3) What techniques seemed the most successful overall for you? Why?

- 4) Why did you choose the photo that you did for your final image?

5) What do you think was successful about this individual image?

6) What do you think was unsuccessful about this image?

7) If you could do the whole project over again, what one thing would you do differently?

8) What grade would you give yourself for this project? Why (be very specific)?
